

A Devotional—The Love of Jesus

Read: Philippians 2:4 NIV

DAY
1

This or That

Circle your favorite choice below:

Chocolate or vanilla

Cake or cookies

Bike or scooter

Basketball or soccer

Summer or winter

Did you have any trouble making a choice between the options above? Some choices are easy. But some aren't! Loving others is a choice. We can choose to love when we remember that God loves us and that He proved it when He sent Jesus.

Every time you choose to love someone else, you're helping them understand that Jesus loves them, too.

DAY
2

LOOK and LOVE

Love means that instead of looking out for yourself and what you want, you should first see ways to help others.

With an adult's permission, use a dry-erase marker to write "LOOK" in large block letters across your bathroom mirror. When you take a look at your reflection this week, ask, "Have I shown love to someone else today?"

If the answer is "no", go find a way to show love to someone else as quickly as you can! Ask God to help you LOOK and LOVE others this week.

DAY
3

Fill in the Blank

Fill in the blanks of this week's verse. When finished, read it to an adult.

"_____ should not look out just for
(Your name)

_____ 's own good. _____
(Your name) (Your name)

should also look out for the good of _____

, _____ , _____ , _____

and _____ .

(List the names of five people you see every day.)

Look for ways to show love to the people on your list by putting their needs first.

DAY
4

Love in Action

Loving others looks a lot like serving. Serving looks a lot like helping. When you see a need, what is the most loving thing we can do? Help!

Who is someone who needs your help? Is it a sibling or a friend? Look for ways you can show love to those around you by helping. Every time you help, think to yourself, "I'm showing LOVE by helping!"

"Heavenly Father, thank you for loving us. This week, when we see a need, remind us to get busy helping so we can show Your love to others. Amen!"

Show the love of Jesus to people in need.
